USA Youth Education in Shooting Sports

**2023**

***Southeast Regional  
Junior Clay Target  
Championships***

**April 14-16, 2023**

Crossville Shooting Sports Park  
772 Albert Frye Road  
Crossville, Tennessee

# From the President

On behalf of the officers of USA Youth Education in Shooting Sports, welcome to the USAYESS Southeast Regional Junior Clay Target Championships.

USAYESS prides ourselves with being the nations only all-inclusive youth shooting sports program. This means our Regional and National Championship events **are open to all youth shooters**, regardless of which program you are affiliated with. No NGB membership is required, and **USAYESS membership is not a requirement to participate in these events.**

We extend a huge thank you to the facility directors for allowing us to host this event at their facilities. We also thank our athlete's parents, coaches, staff, and volunteers that work tirelessly to make all these events come together. We also thank all of our sponsors and donors for their continued support and generosity.

We are very proud of the athletes participating in competitive shooting sports as they are some of the finest youth in the country, and we look forward to seeing some of the greatest talents in the country.

Should you need anything or have any questions, please feel free to ask. Our volunteers and I are here for you.

Good luck to all, be safe, and have fun!

*Brian Beard*

# Mike Borg Memorial Scholarship

[www.usayess.org/mikeborgscholarship](http://www.usayess.org/mikeborgscholarship)

## Background

The Mike Borg Memorial Scholarship was established in memory of USAYESS Co-Founder and long-time President, Mike Borg. Mike had a passion for youth shooting sports and was always working on new ideas to engage youth and enhance the youth experience in shotgun shooting sports. His energy and personality still resonate strongly within USAYESS. Mike Borg passed away in the Summer of 2020 following complications from an ATV accident.

## Purpose

To keep Mike Borg's memory at forefront and to continue the work Mike started, USA Youth Education in Shooting Sports (USAYESS) is proud to offer the Mike Borg Memorial scholarship to USAYESS high school junior and senior members.

## Award

Scholarship Range: \$1,000+

Number of Awards: Minimum of 1 per year

## Eligibility

USAYESS high school junior and senior members advancing into a degree-seeking program who are not full-time employees at the institution are eligible for this award. Applicant must have participated in USAYESS for at least one full year prior to applying and competed in their state championship, Regional championship, and National Championship. Applicants must be in good standing with their High School and maintain a minimum 3.0 grade point average.

## Criteria

- Applicants will be selected based on the following:
- Scholastic ability
- Personal character
- Have demonstrated leadership experience and involvement in their USAYESS team
- Demonstrate a commitment to succeed
- Demonstrate a "Mike-like" attitude in their shooting and education

## Application Requirements

- Applicant must complete all components of the application.
- Applicant must submit a personal essay, written by the applicant, addressing (in 500-2,500 words):
  - Evidence that the applicant meets the criteria identified for this specific scholarship
  - Why USAYESS should consider the applicant for this scholarship
  - Why shotgun shooting sports is important to the applicant
  - How the applicant got started in shotgun shooting sports
  - What the applicant's course of study will be, and what led them to this course of study
  - Applicants goals and plans are after college
- Attention will be given to the essay's structure and grammar
- Applicant must submit a current high school transcript
- Applicant must submit three letters of recommendation: one from a teacher, one from a coach, one from a community member (Community member cannot be a family member)
- Applicant is asked to submit a professional, hi-resolution photo (head shots only) - you may submit a high school senior graduation photo

## Selection

Electronic notification will be sent to confirm award submissions have been received. A confidential National Scholarships Committee, appointed annually by the USAYESS Board of Directors, will review materials to make the selection. One recipient will be chosen unless otherwise noted for the specific award. One physical award will be given to the recipient, who will be recognized during the awards ceremony at the National Junior Clay Target Championships and in subsequent publications.

*In Loving Memory*

Register and pay your entry fees for the USAYESS Southeast Regional Junior Clay Target Championships by March 31, 2023 and receive one free entry in a drawing for a Browning Buckmark Plus Vision UFX Blue .22 pistol. Drawing held Sunday, April 16, during the award ceremony.

# Lodging Information

To get the rates listed below, be sure to book online. A direct link to the booking engine can be found at:

<https://www.usayess.org/lodging>

## CLUB WYNDHAM

Club Wyndham Resort at Fairfield Glade

100 Stonehenge Dr. Fairfield Glade, TN

Special USAYESS Rate: \$130-\$145 per night

Book by: March 2, 2023

If you enjoy outdoor beauty, quiet surroundings, and an activity list that never ends, this is your vacation oasis. Located in the lush Cumberland Plateau region of Tennessee, you'll have 12,700 acres of rolling hills to explore.

At the resort, you can look forward to fun for the whole family with nine walking trails, miniature golf, beaches, boat rentals, golf courses, tennis courts, and more. Around town, explore parks like Cumberland Mountain State Park and Ozone Falls. Stroll through museum exhibits at the Military Memorial Museum and Homesteads Tower.

Not just a hobby! Get your College Education and keep shooting!

FULL COLLEGE SHOOTING SPORTS RECRUITING

[www.collegeshootingsportsrecruiting.com](http://www.collegeshootingsportsrecruiting.com)

USAYESS is proud to support Level UP Athletics in offering College Shooting Sports Recruiting, a system where athletes can enter their shooting and academic resumes and get them in front of the nations top shooting colleges, vendors, sponsors, etc.

# Registration and Squadding

All athletes must be pre-squadded by their coach before the shoot. See your coach for squadding information.

## **Squadding will open to coaches**

Sunday, January 1, 2023

## **Registration and Squadding will close**

Wednesday, April 5, 2023

**Coaches:** Registration and squadding is found at

[www.usayess.org/southeastregionals](http://www.usayess.org/southeastregionals)

If your team does not exist, or you do not know your team's password, or you have trouble squadding, please send an email to [info@usayess.org](mailto:info@usayess.org).

Notice: Each USAYESS athlete MUST shoot for and represent the team matching the team on their USAYESS membership registration. All-Star, stacked, and paper teams are not permitted at any USAYESS sanctioned event.

# Ammunition

All participants are encouraged to bring their own ammo or to have it shipped to the Crossville Shooting Sports Park, where it will be stored for you.

Ammunition is expected to be available for purchase at the Crossville Shooting Sports Park during the event. Ammunition sales will be limited to competition targets only. No ammunition sales will be available for practice. 12 gauge and 20 gauge is available. Proof of event registration is required.

## ATTENTION ALL GOLF/CLAY CART AND OFF-ROAD VEHICLE OWNERS AND OPERATORS

Please be familiar with the rules concerning the operation of these types of vehicles. These rules apply to both rented carts, and personal carts.

- All personal vehicles of these types MUST provide proof of insurance to the Crossville Shooting Sports Park upon request.
- Must have a valid driver's license to operate a cart/ATV. A learner's permit is not acceptable to operate these vehicles on Crossville Shooting Sports Park property.
- Clay Carts must be driven only on designated paths and roadways and are always limited to the boundaries of the shooting complex.
- ABSOLUTELY NO RACING OR SPEEDING.
- No overloading. The maximum number of riders allowed on a Clay Cart is four persons (4). Every rider must be seated.
- All occupants in the Clay Cart shall keep hands, arms legs, & feet within the confines of the cart at all times, and never attempt to enter or exit the cart while it is in motion.
- All firearms transported in a Clay Cart must be completely unloaded at all times. Semi-automatic and pump-action firearms must have their actions open.
- Vehicles will be operated in such a manner as to not impede or interfere with normal pedestrian traffic on sidewalks or vehicular traffic on roadways. Pedestrians will be always given the right of way.
- Vehicles operating after sunset must have their light turned on at all times.
- Never leave the keys in the cart while unattended.
- Rented carts are subject to any additional rules and regulations provided by Crossville Shooting Sports Park.

## GOLF/CLAY CART & ATV REQUIREMENTS

Upon request, guests are required to provide a valid driver's license and proof of \$50,000 "off-premises" liability insurance coverage on privately owned carts or ATVs. No one may operate a cart unless they possess a valid driver's license and the appropriate insurance coverage. A learner's permit is not acceptable to operate these vehicles on Crossville Shooting Sports Park property.

## GOLF/CLAY CART RENTAL

Clay carts will only be available for rental with ADVANCE RESERVATIONS and deposit. Clay cars are available for rent by visiting <http://carts.usayess.org>.

# Elite Shotguns

# Clay Delay Challenge

As a result of USAYESS's partnership with Clay Delay, USAYESS is able to offer a hugely successful and exciting event at all its regional and national tournaments. White Flyer is donating the targets.

## Objective

To showcase, help financially, and encourage athletes not yet at the top of their game.

## Model

Immediately after each American event (Skeet, Trap & Sporting), a random number will be picked below 85 (including 85). We will go down until we get 21 athletes. Should the 21 athletes be tied with others, all tied athletes will be accepted into the event, so there may be more than 21 participants. These 21 or more shooters will compete to earn one of 21 spots in the final Clay Delay. They will shoot trap singles from the 16yard line, miss and out. Those who break their target, slide over to post two and move back two yards. They continue until seven athletes are left. These final seven will compete in the finals on Sunday.

The top three finalists will receive the following in cash.\*

- Champion: \$300
- Second Place: \$200
- Third Place: \$100

The funds will be awarded in the team's name and given to the head coach to be earmarked for the winning athletes. No awards will be awarded directly to the athlete. The athlete may request to use the funds for **any** expenses that are shooting-related. Funds must be used within one (1) year from the date the check was issued.

If an athlete made the top seven in multiple events the athlete gets up to two mulligans in the final Clay Delay Challenge on Sunday.

**Please** go to the **Clay Delay**, **White Flyer**, and **Federal** Facebook pages and thank them for their generosity. Even post a photo if you have one. A little 'Thank You' goes a long way in ensuring that Clay Delay and other sponsors continue supporting this event.

Clay Delay

# BONE-DRI™

STOP RUST BEFORE IT STARTS

## THE "BIG SHUUG" SHOTGUN SLEEVE

Meet the "Big Shuug", hands-down the ultimate shotgun sleeve for both personal and competitive shooting. Humidity and moisture can affect the performance of your shotgun, cause rust, and make cleaning difficult. Unlike any other gun case brand, BONE-DRI™ cases are engineered with Absorbites™ moisture-removal technology to store and protect your firearms from rust after exposure to moisture. Thanks to its heavy-duty construction, durability, padding, and scratch-free design, this sleeve easily withstands heavy wear and tear and is guaranteed for life.

60" x 10" x 4" | 3.2 lb | SKU: AFR50BL

ENGINEERED WITH

**ABSORBITES™**

MOISTURE-WICKING  
TECHNOLOGY

- Engineered with Absorbites™ moisture-removal technology throughout to draw dampness from your shotgun's inner workings to prevent rust
- Designed to protect barrels up to 32"
- Holds shotguns or rifles up to 60"
- PADDED AND REUSABLE - Protect your prized possessions
- DURABLE - Constructed with heavy-duty industrial 800D PVC nylon
- SCRATCH-FREE - Velcro instead of zippers
- STORAGE OPTIONS - Shoulder strap, handle, and top loop
- LIFETIME WARRANTY - Love it or return it

Introducing

**SHOT  
TRACKER™**

+

**CLAY  
TRACKER™**

with SmartShot™ Software Technology

**SHOT  
TRACKER™**

ShotTracker combines a Quad-Core Processor, high-definition camera, onboard accelerometers & gyros into a sleek light weight unit that attaches to the barrel of your shotgun turning it into an intelligent device. The embedded SmartShot algorithms analyze each shot and provide immediate feedback on hit and miss accuracy enabling you to make adjustments on the very next shot.

**CLAY  
TRACKER™**

The ClayTracker Application interfaces with all ShotTracker Models. Together they provide a platform that delivers immediate feedback on shot accuracy and the corrections needed to make the next shot perfectly aimed. It is available for your iOS or Android smart device.

Feedback includes:

Range to Clay Target

Speed of Clay Target

Clay Target's Probability of Breakage

Assessment of where your shot was aimed

Correction needed to make you next shot on target

Records History and Statistics of hit and miss data

Configuration Interface includes:

CHANGING THE FUTURE OF  
YOUTH SHOOTING SPORTS

Order online at <https://takeaimtech.com>

Select **Grayson Stuart** in the *How did you hear about ShotTracker* section, and \$100 dollars will be donated to a MidwayUSA Foundation Endowment Account of your choice!

Be sure to email [info@usayess.org](mailto:info@usayess.org) to let us know which endowment account you want your purchase to benefit.

# Additional Information

## Eligibility

As with all USAYESS events, this tournament is open to all youth teams or individuals belonging to any youth organizations with a competitive shooting program. No USAYESS or NGB memberships are required...just come and compete. Athletes may compete in one or more events of their choice. To qualify for High All Around awards athletes must compete in all three American games; American Skeet Singles, American Trap Singles and Sporting Clays. Bunker Trap and International Skeet are individual games. All coaches and athletes need to be familiar with the USAYESS handbook policies especially the uniform policies and game rules. Non-Member fees may apply.

## Collegiate Athletes Eligibility

To compete in USAYESS Regional and National Championships, a collegiate athlete must be affiliated with a USAYESS team. Those athletes not affiliated with a USAYESS team are invited to participate in National Collegiate Shooting Sports Athletic Association (NCSSAA) sanctioned events.

All collegiate athletes must meet eligibility criteria as set by NCSSAA.

All participants must be enrolled as of the academic term in which they qualified for the program for at least nine degree-seeking credit hours (six credits for graduate students).

All undergraduate and graduate student participants must be enrolled as a student in good conduct standing at the institution they represent, as determined by the institution in which they are currently enrolled.

## Safety Rules

Eye and ear protection are required. Headphones and/or earbuds are not considered ear protection. Should ear protection have headphones embedded in them, they must be unplugged and the cord hanging outside the clothing. Eye protection must be safety-rated. No release triggers. **No toe pads or resting muzzle on foot.**

No hands resting on the muzzle. Semi-autos pointed must be facing forward and upward. Break-opens broke open and pointed forward.

---

*The Official Print Publisher of USAYESS*

*"The Future is Now in Business Printing!"*

This facility DOES NOT only allow hat shooting. Also, NO ALCOHOL consumption on the property while any shooting is going on...practice, or competition. **REGARDLESS OF WHICH HOTEL, RESTAURANT, THEATER, ATTRACTION, OR GAS STATION YOU VISIT, DO NOT LEAVE ANY VALUABLES UNATTENDED IN VEHICLES ANYWHERE IN THE AREA. Not even for a split second.**

### **Coaches**

If you have more than one squad, please ensure that you assign a volunteer to ensure all shooters are present and at their field at least 15 minutes ahead of the scheduled time. **NO COACHES ON THE FIELD OF PLAY ONCE COMPETITION STARTS.** USAYESS allows a coach on the field for Novice athletes for safety; still, no coaching. Coaches are responsible for being familiar with safety and game rules. Athletes are responsible to ensure scores are marked correctly after each round as well as signing their final score. Once the score sheet leaves the field, the scores stand as written. It is the coach's responsibility to teach and ensure their athletes complete their rounds in a timely manner. USAYESS reserves the right to move squads to another field if scheduling is being affected by any squad.

### **Athletes**

Athletes are responsible for knowing the rules of the games, dress code, and the time allotted for each game they are competing in. Each athlete is responsible to ensure scores are marked correctly after each round, as well as signing their final score. Once the score sheet leaves the field, the scores stand as written. Do not rely on what you hear or what a teammate says, athletes are to verify their own scores.

Bring extra ammo on the field. Adhere to the time schedule. You are responsible for picking up your own shells and debris after you are finished shooting. Keep the facility clean & debris-free. Only athletes may challenge a call or file a complaint.

### **Course of Fire**

Sporting Clays, American Skeet Singles, American Trap Singles: 100 Targets each.

Bunker Trap and International Skeet: 50 Targets.

### **Categories**

Novice (6th grade and under)

Intermediate (7th and 8th grades)

Jr Varsity (9th grade and first-year high school competitors)

Senior (10th – 12th grades)

Collegiate (Meeting NCSSAA Eligibility Requirements)

## **Squadding and Cashiering**

The only method of registration is online at [www.usayess.org/southeastregionals](http://www.usayess.org/southeastregionals)

The coach or team leader can request shooters to be squadded together in Trap, Skeet, and Sporting Clays. A legal squad is five shooters from the same team and in the same division. Shoot management will place individual athletes on mixed squads. International events are individual events.

All athletes bumped up to a higher division, will remain in the bumped-up division in all of the tournament's events; individual, and squad.

If a team is not able to attend the event yet one of the team's athletes would like to compete, they may. Individuals qualify for all individual awards, including the HAA awards.

Pre-Squadding will be open beginning January 1, 2023. Cashiering for Targets and Trophies will be online only beginning January 1, 2023.

Registration closes on April 5, 2023.

## **Ammunition**

*1-ounce loads are acceptable for use at all USAYESS state, regional, and national International tournaments.*

*Just for information's sake: In Registered International tournaments, athletes are required to use only 24gram (7/8) ounce ammunition which has a maximum speed up to 1350 fps. This ammunition can be difficult to find, so plan ahead if you plan on using 24gram loads.*

## **Cancellations/Refunds**

USAYESS registration cancellations will be refunded up to ten (10) days before the event. Any cancellations after the ten-day deadline will not be refunded.

**\*\* NO REFUNDS ON REGISTRATION FEES AFTER APRIL 5TH 2023 \*\***

**AT&T**

## **Shoot-Offs**

Shoot-off procedures at all USAYESS regional, and national championships shall follow the same procedures as stated in the USAYESS Guidebook. In the event of severe weather or other catastrophic events, the shoot-off rules may be amended by the tournament committee. Only 1-3 place ties are shot off. All other ties are broken first by long run (front to back), then if still tied, back to front. To save time shoot management may elect to shoot off two or more gender and divisions at the same time, but still score separately. Should a competing party in the tie be a no-show after the 15 minutes call, the no-show will automatically be a forfeit.

### **INDIVIDUAL SHOOT-OFFS**

**American Skeet** - American Skeet shoot-offs are skeet doubles from stations 3, 4, 5 miss and out. The shooting order is stations 3, 4, 5, 4, 3 moving from station 5 back to station 4 is low house first then the high house. Shooting order will be determined by the draw of lots or a flip of a coin.

**International Skeet** - International Skeet will consist of one pair from station 3 (h-l) - two pair from station 4 (h-l) and (l-h) and one pair from station-5 (l-h). The shooter with the most broken targets will be declared the winner. If still tied, repeat the sequence until a winner is declared.

**Sporting Clay and 5-Stand** - Sporting Clay shoot-offs may be shot on a 5-Stand field. In both Sporting Clays and Five Stand shoot-offs shoot management will select four (4) true pair to be shot from one (1) station. The true pair used in the shoot-off must not have been used in the preliminary rounds. Shooting order will be determined by draw of lot or flip of coin. Each shooter will shoot the same four (4) pairs from the same station, one athlete at a time. After all shooters have shot the greatest number of broken targets will be declared the winner. If there is still a tie, the procedure will be repeated, rotating the first shooter with four (4) pairs from the next station; the greatest number of broken targets will be declared the winner. If there is still a tie move to the next station until a winner is declared.

**American Trap** - American Shoot-offs. The first round of the shoot-off will be from the 22-yard line, two targets from each post, most targets broken wins. Shooting order will be determined by the draw of lots or a flip of a coin. If there is still a tie, the next round will be two (2) targets from each post, from the 27-yard line, most targets broken wins. If there is still a tie, repeat from the 27-yard line until a winner is declared. Shoot-offs with two athletes will be shot from post 2 & 4, with three athletes shoot-offs will be shot from post 3, 4 & 5, with four athletes, shoot-offs will be shot from posts 2, 3, 4 and 5. International Events-International Events shoot-offs will consist of one target from each post, miss and out. The shooter with the most broken targets will be declared the winner. If still tied, repeat the sequence until a winner is declared.

**International Trap** - International Trap shoot-offs will consist of two targets from each post (one shot per target). The athlete with the most broken targets will be declared the winner. If still tied, repeat the sequence until a winner is declared.

### **SQUAD SHOOT-OFFS**

All squad members are required to report for the shoot-off. Failure to have all members present when the shoot-off is ready to begin will result in a forfeit. In the event multiple squads are missing members when the shoot-off is ready to begin, the squad with the most members present will be declared the winners. If both squads have the same number of missing members the shoot-off will commence and missing members will not be allowed to join the shoot-off once the first shooter of the shoot-off is called to the line.

**American Skeet** - American Skeet shoot-off rules are skeet doubles from stations 3,4,5. Shooting Squad with the most broken targets will be determined the winner. Squad shooting order will be determined by a draw of lots or a flip of a coin. The shooting order of the squad members may be determined by the team or the coach. All shooters from all teams will shoot stations 3, 4, and 5 doubles. One squad at a time. Should there be a tie, repeat the sequence until a winner is declared.

**Sporting Clay and Super Sporting** – Sporting shoot-offs may be shot on a 5-Stand field. In both Sporting and Super Sporting shoot-offs shoot management will select one (1) true pair from one (1) station. The true pair used in the shoot-off must not have been used in the preliminary rounds. Squad shooting order will be determined by draw of lot or flip of a coin. The shooting order of the squad members may be determined by the squad or the coach. All shooters from all squads will shoot one (1) true pair from the same one (1) station. After all shooters have shot, the squad with the greatest number of broken targets will be declared the winner. If there is still a tie move to the next station until a winner is declared.

**American Trap** - American Trap Shoot-Offs: Each squad will shoot two (2) targets from each post from the 22-yard line, one shot per target. Most broken targets will be declared the winner. Shooting order will be determined by the draw of lots or a flip of a coin. If there is still a tie, the next round will be two (2) targets from each post, from the 27-yard line, most targets broken wins. If there is still a tie, repeat from the 27-yard line until a winner is declared.

## **TEAM HAA SHOOT-OFFS**

The top five shooters that shot are those who will participate in the shoot-off regardless of age or gender. These five shooters will be the team HAA squad. The top five HAA team members are required to report for the shoot-off. Failure to have all five members present when the shoot-off is ready to begin will result in a forfeit. In the event multiple teams are missing squad members when the shoot-off is ready to begin, the team with the most squad members present will be declared the winners. If both teams have the same number of missing squad members the shoot-off will commence and missing squad members will not be allowed to join the shoot-off once the first shooter of the shoot-off is called to the line.

**American Skeet** - American Skeet doubles from stations 3, 4, 5. Team shooting order will be determined by the draw of lots or a flip of a coin. The shooting order of the team members may be determined by the team or the coach. All shooters from all teams will shoot doubles at stations 3, 4, 5, and score noted. Shooting order will be determined by the draw of lots or a flip of a coin.

**Sporting Clays** - Sporting shoot-offs may be shot on a 5-Stand field. In both Sporting and Super Sporting shoot-offs shoot management will select one (1) true pair from one (1) station. Team shooting order will be determined by draw of lot or flip of a coin. The shooting order of the squad members may be determined by the squad or the coach. All shooters from all squads will shoot one (1) true pair from the same one (1) station.

**American Trap** - The first round of the shoot-off will be one target from each post (one shot) from the 27-yard line. Team shooting order will be determined by the draw of a lot or the flip of a coin. The shooting order of the team members may be determined by the team or the coach. Take note of score and total all previous scores from Skeet, Sporting, and 5-Stand. The team with the most targets broken will be declared the winner. If after totaling all broken targets from all three or four shoot-offs, the teams are still tied, teams will select one athlete to represent the team and repeat the sequence until a winner is declared.

# Responsibility

By entering the competition, every person agrees to accept all official decisions and to abide by USAYESS rules. USAYESS staff will make all rule interpretations.

Be ready to shoot. Squads will not wait for tardy members. If you miss your squad, report to the office and be re-squadded on a later squad. If no squad is available, a shooter forfeits all entry money.

No shooter will be allowed to make up more than 50 targets on the practice traps if he/ she has missed the squad. If you are unable to join your squad before they have started their second trap, you must be re-squadded. All make-ups for missed squads or gun repairs report to the practice trap area within 15 minutes of when the last squad takes the line for that event.

In case of a gun breakdown, a shooter will be allowed five (5) minutes for repair or replacement.

Please check your score before leaving each post. The squad captain (#1 shooter) will total the score after each sub-event and initial the score sheet before leaving the trap. Errors made in totaling shall be corrected whenever discovered. All changes will be made in strict accordance with USAYESS rules.

Athlete bibs with each shooter's participant number will be distributed to the coaches. Each athlete must have their bib with shooter number visible at all times while shooting.

SHOTSHELL RELOADERS

# Other Rules and Things to Remember

USAYESS Officials and Executive Committee will make all program interpretations.

The State, Regional, and National Championships are to be a true test of the skills our youth have developed this season. However, because USAYESS is an organization that emphasizes teamwork, only a shooter's fellow squad members may challenge a call by a scorekeeper. The shoot director's decision on a dead or lost bird will be final. The management shall appoint a judge or judges to be called upon as the occasion arises. The scorer must call upon a judge to settle any controversy regarding a score or when the scorer has made an error by being ahead or behind in scoring.

Coaches, guests, and athletes not on that squad may not dispute calls or enter into discussions with shoot officials. On-field or on-station coaching will NOT be allowed! All coaches, volunteers, and guests must remain behind the Trap or Skeet field or at least 10 feet away from a Sporting Clays walk-through station. Coaching on the station, entering into a dispute with an official, or disrupting the flow of competition may result in loss of points or disqualification for the athlete and the non-squad member (coach, guest or athlete) removed from the competition field.

We want to remind you all to check the following list before checking in for the day's competition:

- Sufficient ammo for all competitors as well as shell bags, belts or shooting vests.
- Properly cleaned and properly functioning guns. On the third gun malfunction, the athlete will need to step off the course to allow the remaining squad members to compete without distraction. "Safety On," firing from the wrong barrel or using ammo that will not cycle in your shotgun, is a LOST bird. Use a gun that functions well and ammo that cycles in your gun! If ammo is provided for an event that will not cycle in an athlete's gun, the athlete is responsible for obtaining ammo that will cycle.
- Shell catchers must be used on semi-auto shotguns. This is to prevent stay shells from hitting adjacent shooters.
- SAFETY EQUIPMENT FOR ALL COMPETITORS, COACHES, VOLUNTEERS, AND OBSERVERS! This will be strictly enforced - NO ONE will be allowed at the shooting fields or on the walk-through course without eye and ear protection! This includes infants and toddlers. Anyone found without proper safety equipment will be asked to leave the field.

- Squads should check their flight times and be on-deck 10 minutes before Flight. They should be on the shooting grounds 15 minutes prior to Flight Time. If your squad or athlete is not on the field ready to shoot their round within a reasonable amount of time, they may be disqualified or at the very least, rescheduled, time permitting.
- Score sheets will be the responsibility of the squad leader! No other person may take the score sheet or be in possession of the score sheet at any time other than the Shoot Administrator, official Scoring Volunteer, Referee, or a Trapper. Squad will leave the score sheet at the final trap field. Score sheets will be picked up at each field by the score chaser.

Registered Coaches may be recruited to assist as referees. USAYESS will provide all Trappers and Scorers; however, coaches may be asked to act as trappers. Every team should provide at least two qualified, registered volunteers to referee during Regionals.

USAYESS Dress Code Regulations will be STRICTLY ENFORCED!

The target setting committee shall set targets each morning or during event changes based on predicted weather conditions and in accordance with USAYESS rules. Once targets have been set, only the line judge has the authority to change them. Target speed will be set by a radar gun and will be maintained uniformly on all traps. Changes will be made only if targets have become illegal or vary from the original setting.

The USAYESS State, Regional and National Junior Clay Target Championships are USAYESS sanctioned events. Any competitor must be a registered, active member of USAYESS, SCTP, 4H, AIM, High School Rodeo, BSA, or other established, nationally-recognized organization shooting team and must have current proof of membership and insurance. All competitors must meet the minimum practice requirements of five practices with their team before competing at USAYESS Championships. USAYESS reserves the right to limit registrations. Priority for registration will go to USAYESS member teams.

Awards are provided by USAYESS.

Coaches must ensure that they have in their possession the original medical consent forms for every athlete, as well as travel consent forms for those teams traveling to State without a parent.

Athletes must compete in their division but may be squadded with other divisions and other teams if necessary, during competition. All rules for USAYESS Championships will apply unless otherwise noted in this document.

Check-In will be held each day before Opening Ceremonies. Check-in will be with the team coaching staff, so most athletes will check in with their coaching staff for competition.

**SUBJECT TO CHANGE:** Please keep in mind that the tournament schedules, squadding, awards structure, fees, and this program are subject to change. Although we make every attempt to maintain the published schedule, target malfunctions, weather and other situations may arise to necessitate program changes. It is the responsibility of competitors and coaches to check the program, flights and squads daily. Updated information will be posted at the range, and we will make every effort to post changes on Facebook as well. USAYESS is not responsible for missed flights, airline change fees, missed squads, stolen equipment, lost ammo, etc. Please keep this in mind when making your travel arrangements, schedules and while at the events.

# BONE-DRI™

STOP RUST BEFORE IT STARTS

## SHOTGUN & RIFLE CASE

The BONE-DRI Shotgun & Rifle Case is your new go-to and puts the others to shame. Humidity and moisture can affect the performance of your gun, cause rust, and make cleaning difficult. Unlike any other gun case brand, BONE-DRI cases are engineered with Absorbites™ moisture-removal technology to store and protect your firearms from rust after exposure to moisture. Constructed with heavy-duty industrial 800D PVC nylon and lockable Mil-Spec zipper sliders, this soft case easily withstands heavy wear and tear and is guaranteed for life.

51" x 10" x 4" | 3.4 lb | SKU: AFR150BL

### ENGINEERED WITH

**ABSORBITES™**

MOISTURE-WICKING  
TECHNOLOGY

- **PEACE OF MIND** - For your firearms post-exposure to moisture when used with gun oil
- **SAFE** - Lockable Mil-Spec zipper sliders
- **Engineered with Absorbites™** moisture-removal technology throughout to prevent rust
- **BAG WILL FLOAT** - Not recommended for long-term submersion
- **DRAG BAG** - Mil-Spec design
- **LIFETIME WARRANTY** - Love it or return it
- **DURABLE** - Constructed with heavy-duty industrial 800D PVC nylon
- **Holds 1 shotgun or rifle (up to 50")** with optics and plenty of ammo
